

Tax Refund(2025) by @OpiumCarder

www.opiumcarders.com

The 2025 tax refund process has some important changes. The IRS website is temporarily unavailable for filing due to recent restrictions. Instead, we will use third-party platforms like TaxSlayer

Choosing the right bank account is essential for receiving your refund smoothly. Identity verification rules have changed, and I'll show you how to handle them.

Retrieving the correct previous AGI is crucial to avoid filing issues. I will guide you through every step to ensure a successful refund. Stay tuned for detailed strategies to maximize your refund.

Contents :

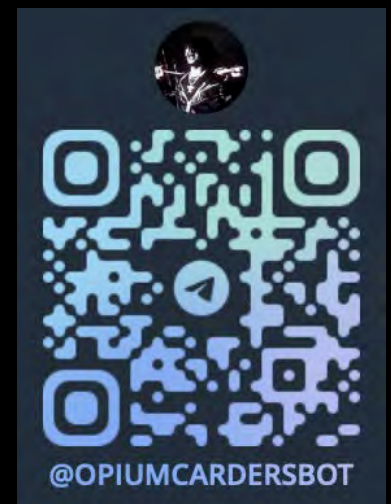

- 1) Filling
- 2) ID.me Topic
- 3) AGI Pickup

Beginners Note :

1. What is Tax Filling Fraud ?

Tax fraud is when somebody finesses the system, lying on tax forms to get more money or dodge what they owe. Some folks claim fake jobs, tweak their AGI, or use stolen IDs to file returns under someone else's name. Others report bogus businesses or extra dependents to boost their refunds

Dependents or Qualifying Person(s)

Do you have children or relatives who rely on you for support and live in your home? If so, you might be able to receive potential tax credits and tax exemptions that could save you money on your tax bill. But before you get too excited, there are some situations when a child's exemption status is a little more complicated. The IRS does have special rules for those situations.

Do you have any dependents or qualifying person(s) to claim on your return?
