Now I assume you have got the eSim , activated , got the fullz info and inforamtion ready , and also have got the SSN Looked up

And NO , you cannot open Regions without the number access which is already on the credit report of the fullz.

Hence carding eSim , I have already covered m just go through the beginner openup

steps , -----> <https://t.me/opiumcarder/487>

Now, let's start

Go to ---> <https://www.regions.com/personal-banking/checking>

A screenshot of the Regions.com website's 'Checking Accounts' page. The page features a header with a woman holding a green Regions Visa card. Below the header, there's a section titled 'Checking Accounts' with a 'Compare checking accounts' button. The main content area is titled 'Our most popular checking accounts' and displays three account options: 'LifeGreen® Checking' (Most Popular), 'LifeGreen Preferred Checking®' (Interest-Earning), and 'LifeGreen® Checking for Students' (Student Checking for 25 and Under). A red arrow points to the 'Open now' button for the LifeGreen® Checking account. The page also includes a 'Make an Appointment' button in the bottom left corner and a large watermark 'http://opiumcarders.com' across the right side.

By clicking on the Existing Customer or New Customer buttons above and continuing with the application process, you consent to Regions and its service providers collecting, recording, analyzing, and using information about your computer or mobile device, and information about how you use our website and navigate the application process, for fraud prevention and security purposes. For more information about the information Regions collects and how that information is used, please visit our [Online Privacy Notice](#).

Regions allows applicants to originate new accounts as long as the applicant has reached the age of majority for entering into a binding legal contract under state law. However, if you are a resident of the State of Alabama, are or have been a military service member, and have not reached the age of majority, please visit the nearest branch and bring your service member ID to complete your application.

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Additional Verification Required

Regions values your protection, so we've added an additional authentication method. Two-step verification helps us confirm it's really you trying to open an account. On the next screen, you will receive instructions about how to receive a one-time code on your mobile phone. Once you select the phone number you want to use, we'll text you this code.

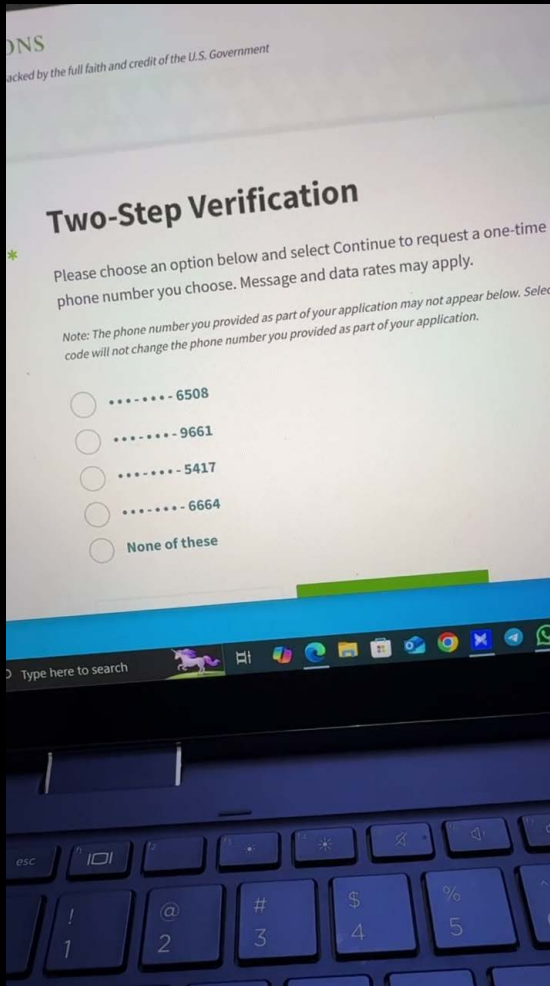

By clicking the Continue button below, you authorize Regions to use a third-party service to pull your phone number(s).

If you see this , get a smile cause this means your fullz is solid and one step away from openup

Now here you see , your eSim number choose it and send the OTP to your eSim , and boom your account is opened

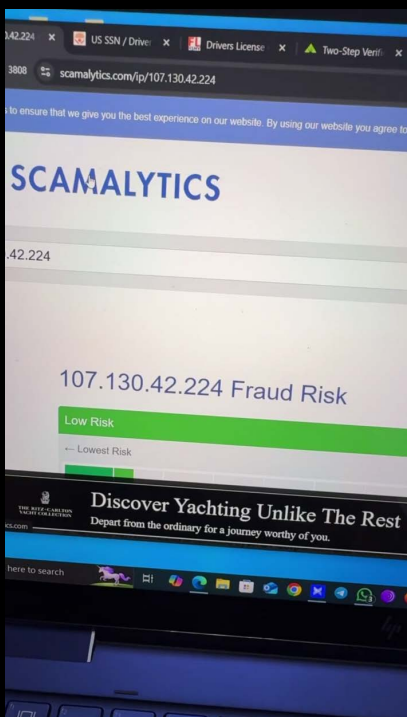

Incase you don't see your eSim number here , it means the number is not attached anymore to his/her credit history

Hence no use ;(

But incase of that there are few more steps you can do , I will share it via Voice note on channel after this method

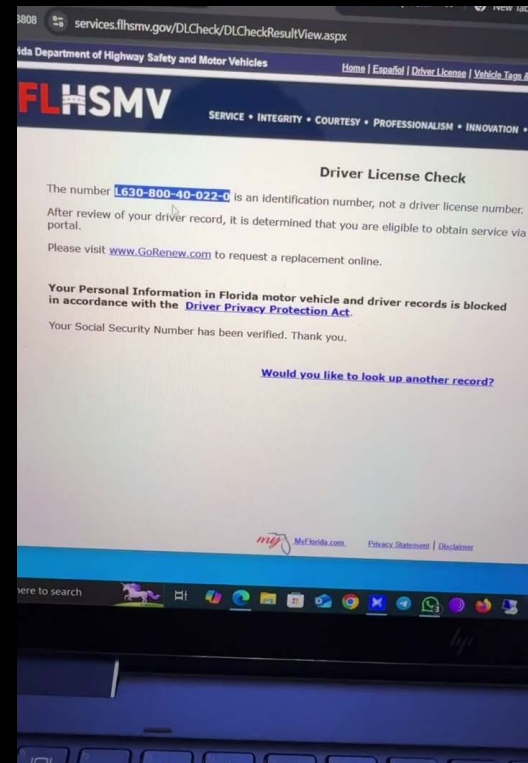

So join our Telegram channel - @OpiumCarder

TIPS :

This is the fraudscore , I run with , below 15 , don't burn your fullz with bad socks . proxy

Use any DL generator , and later check , the DL must not be assigned to anyone

Some more Regions Openup Tip[s , am gonna leave as Voice Messages , and hence Join the Telegram Channel.

Next we will open 53rd Bank , (Also will teach how to tackle ID required issue)
