The main issuer might be you getting the fullz from the eSim method and later not having proper employer info , or may not be able to fetch the credit info and getting answers wrong

Here will teach how to open via TransUnion which will have all info , so these steps to be followed after you have the Fullz .

Name , Address , Phone Number Access (eSim) , SSN
(Have covered this step already and even looking up)

Password Strength

Tips for creating a strong password

- Use 12-64 characters. The longer your password is, the better!
- Avoid using personal information, such as your name, surname, date of birth, etc.
- Don't use sequential letters or numbers, like 123 or abc.
- Passwords should be unique. Avoid re-using a password you use elsewhere.

Safe Access Promise

TransUnion will safeguard your personal credit information. All requests on this site are encrypted with powerful Secure Sockets Layer (SSL) technology.

Step 1 Tell us about yourself | Step 2 Create your account | **Step 3 Verify your identity**

Protecting the privacy of your personal information is our highest priority, so we need to make sure you're really Curtis.

To verify your identity, you'll need to request a one-time passcode, which will be sent to the phone number you entered in Step 1.

- The passcode is valid for 15 minutes, and you have 3 chances to enter it correctly.
- You can request a new passcode if you don't get the first one.
- If you don't have access to your phone right now, you can log out and come back later. When you log back in, you'll continue from this point.
- Standard text message and voice rates apply.

Please choose how you want to receive your passcode.

☐ Text message

☐ Phone call
